(All details 1:10)

Technical drawing of a mechanical assembly, likely a bracket or support structure, showing dimensions and labels.

Dimensions:

- Overall height: 44
- Overall width: 59
- Width of the base: 20
- Distance from the base to the top of the main body: 3.5
- Distance from the base to the top of the main body (vertical dimension): 50

Labels:

- AT10017
- FO14403
- PCS003
- PCS004
- LI14403
- AT10022
- LI14408
- SOS110
- SH453f
- OE
- IAE

The drawing includes a cross-section view of the base, showing a threaded hole and a bolt. The main body is shown in a perspective view, with a yellow arrow indicating a specific feature or direction.

(All details 1:2)

Technical drawing of a mechanical part, likely a bracket or housing, showing dimensions and labels. The part is yellow. Dimensions include a total width of 144, a total height of 44, and a vertical distance of 35 from the bottom edge to the center of a circular feature. Labels include: FO14404, PCSS003, PCSS004, LI14403, AT10022, AT10017, SOS110, and SI44534. A circular feature with the number 50 is shown, along with a screw and a blue component at the bottom.

Technical drawing of a mechanical assembly, likely a door handle or latch mechanism, showing dimensions and part numbers.

Dimensions:

- Overall width: 144
- Overall height: 77
- Distance from left edge to center of circular component: 33
- Distance from center of circular component to right edge: 22
- Radius of circular component: 50
- Distance from center of circular component to top edge: 35
- Distance from center of circular component to bottom edge: 3

Part Numbers and Labels:

- AT10035
- T1576
- AT10017
- AT10022
- AT10066
- S3001TA
- S0SS10
- S144534

The drawing includes a circular component with a radius of 50, a screw, and various rectangular and triangular components. Red dashed lines indicate specific assembly points or boundaries. A blue arrow points to the AT10022 part.
