

Production Operative

Based in Donington, near Spalding, we are a long established, friendly and innovative timber framed windows and doors, manufacturing business. Started in 1884 and still owned by the Barnsdale family, we have grown and adapted with changing trends and technology.

Due to ongoing success we need to recruit Production Operatives to join our busy factory in Donington, Spalding

Attention to detail and pride in doing a task well are essential.

You must be physically fit to do this role.

Hours of work are 42.5 per week

Normal hours of work are Monday to Friday 7.30 to 5.00 (with three daily breaks)

There will be a requirement to work shifts during peak periods but a shift premium would be paid. Successful applicants must be willing to work shifts when required (these will still be Monday to Friday but with start and finish times between 6.00am to 10.00pm)

- pay is dependent on skill and experience
- free on-site parking
- full training is given

Essential Requirements:

- Understanding of basic English.
- Demonstrable manufacturing or assembly experience and/or the ability to be trained.

Desirable Requirements:

- Use of woodworking machinery and hand tools.
- Use of air and power tools.

Please send you CV and a covering letter outlining your suitability for this role to bmeheew@gbstp.com
