

Trainee Estimator

Donington, Lincolnshire, PE11 4TA

Full Time: Monday to Friday, 08.00 am to 5.00 pm, 40 hours per week.

Salary: DOE

Working alongside our experienced team of estimators, a fantastic opportunity has become available for someone to join the team with the view of undertaking training and development to become fully trained and proficient within the role of Estimator. You will be required to produce quotations by using our bespoke quotation generating software in line with business requirements to meet customer need, including meeting the relevant regulations and standards. Working alongside the sales and marketing team to ensure the best documentation is put together for the customer and to allow continuous improvements to the process and documentation. This position would suit someone who has just finished full time education or some who is looking for a career change and looking to join a long-established business with excellent career opportunities.

Essential Requirement

- Comfortable in the use of IT systems and processes
- Knowledge of Microsoft packages, incl. Excel & Word
- Ability to interpret technical drawings and specifications.
- Able to work to deadlines and be adaptable for the needs of the business.
- Positive, can-do, and driven attitude
- Ability to communicate at all levels, both verbally and written
- Able to work alone or as part of a wider team.
- Excellent telephone manner and organisational skills

Desirable Requirements:

- Previous experience in window / door industry
- Experience of using technical/bespoke IT systems and CRM
- Klaes system knowledge/use
- Experience in construction industry
- Previous experience with estimating
- Customer service experience

About Us

Due to the continued success and innovation within our established family run business we have some new and exciting opportunities available. With over 130 years as market leaders of bespoke timber windows and doors, we not only pride ourselves with the quality and high standards of our products, but we also go a long way to ensure that our “extended family” are happy within their roles and environment. The family ethos running through and through across the group, whether working alongside the MD in the factory or discussing the development, innovation, and future of the company.

As a result of entering some exciting new markets we are putting effort into expanding and developing our team. If you are driven by quality, have a restless ambition to continuously improve and enjoy working as a team, then we'd love to hear from you.

George Barnsdale - A family firm since 1884, be part of our future.
