- CIMA qualified. Ideally with 5 years PQE.
- Advanced MS Excel
- Strong influential skills at all levels
- Advanced data analysis skills
- Analytical approach
- Excellent IT skills being able to utilise advanced capabilities within software packages.
- System development and implementation experience.

About Us

Due to the continued success and innovation within our established family run business we have some new and exciting opportunities available. With over 130 years as market leaders of bespoke timber windows and doors, we not only pride ourselves with the quality and high standards of our products, but we also go a long way to ensure that our “extended family” are happy within their roles and environment. The family ethos running through and through across the group, whether working alongside the MD in the factory or discussing the development, innovation, and future of the company.

As a result of entering some exciting new markets we are putting effort into expanding and developing our team. If you are driven by quality, have a restless ambition to continuously improve and enjoy working as a team, then we'd love to hear from you.

George Barnsdale - A family firm since 1884, be part of our future.
